

CONSENT FOR ACCESS

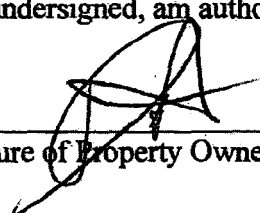

The purpose of this Consent for Access is for the U.S. Environmental Protection Agency (EPA) to secure access to this property.

I am the owner, or authorized representative of the owner, of the property onto which EPA seeks access and have full authority to grant access to the property.

By executing this Consent for Access, I hereby consent to EPA employees and authorized agents, contractors and subcontractors of EPA to enter onto and move about the outdoor areas of the property and to enter Condominium Units as needed to conduct an investigation. Access to indoor areas of Condominium units will be closely coordinated with the owner and/or property manager representatives. I understand that the work that will be performed at the property may include the following activities: 1) collection and analysis of air samples, 2) photo documentation of the sampling activities, and 3) use of air monitoring instruments.

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind.

I, the undersigned, am authorized to represent the owner of the property.
